When author Indie-Phet Nguyen was growing up in her hometown of Vientiane, Laos, her wishes were simple: to eat a delicious bowl of soup or dried crispy meat with sticky rice or colorful fried rice before school. The dream of becoming a superstar, prime minister, or professional athlete was not even on the horizon. In Faceless Woman, she narrates her life story--from growing up simply in Vientiane, Laos to earning a degree in Australia, her work with pharmacies, and her foray into Reiki and healing. She shares how she drew on her personal past successes and failures as tools to embark on the New Age journey that has produced remarkable change in life for better health and fulfillment. Bending the varied experiences Nguyen has gained throughout the years with snippets of advice, Faceless Woman shares her journey, the rewards she s gained from determination, and the path to healing oneself.
