Sarabande Books, Canada, 2009. Paperback. Condition: New. New. Language: English . Brand New Book. I Have to Go Back to 1994 and Kill a Girl is film noir set in verse, each poem a miniature crime scene with its own set of clues--frosted eye-shadow, a pistol under a horse s eye, dripping window units, an aneurysm opening its lethal trap. In otherworldly vignettes, 1994 pairs the unreliable narration of Jacob s Ladder (with its questions of identity and shifting realities) with the microscopic compulsiveness of Einstein s Dreams. The book s sense of hypnotic premeditation brings Donnie Darko to mind as well, as poem after poem scatters the breadcrumbs of a murder mystery leading us further away from the present self and deeper into the past. I Have to Go Back to 1994 and Kill a Girl is an astounding debut collection that will crawl under your skin and stay there. I Have to Go Back to 1994 and Kill a Girl is a remarkable book. It is innovative, original, unprecedented, and, at the same time, its originality and innovation are predicated on a passionate, even obsessive relationship with the past. --Lynn Emanuel.
