Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Friar Bakon s Prophetie, Vol. 8: A Satire on the Degeneracy of the Times, A. D. 1604 The following tract, which has at least the unusual merit of being entirely free from the coarseness which pervades nearly every popular work published during the reigns of Elizabeth and James I, is reprinted from a copy formerly belonging to Burton, the author of the Anatomy of Melancholy, and now preserved in the Bodleian Library at Oxford. It is of excessive rarity, having escaped the notice of Lowndes and other bibliographers, nor have I succeeded in tracing the existence of any other exemplar; an additional inducement for reprinting a piece that contains several curious notices of our old manners and customs. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
