

Destination Points: A Values-Driven Journey

By Maria Buss

Bookstand Publishing. Paperback. Condition: New. 180 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. Every day for nearly ten years, a special-cut key, called trust, allowed me to step into the lives of people representing four generations -- the silent generation, born 1919-1945; the baby boomers, 1946-1964; Generation X, 1965-1977; and the millennial generation, 1978-2000. Getting to know each one of them in their unique financial situations and finding solutions that continue to serve them well are treasured relationships that I cherish. The experience simply had to be shared to give you and others an understanding of the financial challenges in life and the basic knowledge needed to overcome them. The financial topics covered in this book are wrapped around real-life situations that allow you to identify with and learn from other people's experiences. DESTINATION POINTS is a first of its kind to deliver across from the kitchen table accounts of families on Main Street who work hard for the money and do not have the resources to make the money work hard for them. Why is that? For most people, their financial journey is a struggle because personal financial planning is absent and financial education is silent in their lives. How...

If you need to adding benefit, a must buy book. This really is for all who states that there had not been a well worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.
