By Andrew Radford

Cambridge University Press. Paperback. Book Condition: new. Analysing English Sentences continues in this tradition, offering a well-structured introduction to English syntax and contemporary syntactic theory which is supported throughout with learning aids such as summaries, lists of key hypotheses and principles, extensive references, handy hints and exercises. Instructors will also benefit from the book's free online resources, which include PowerPoint slides of chapter key points and analyses of exercise material, as well as an answer key for all the in-book exercises.
