Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Perhaps the first autobiography by a plant, dictated by Ms. Coffea Arabica, aka Lady Coffee, this story presents the wit and wisdom of a lovable yet sassy tree. She traces the connections intertwining between people and coffee throughout history, from prehistoric poker games to go-carts on Mars. Come along on this journey and discover Lady Coffee s deep family roots. Learn how her cunning ancestors convinced humans to transport their seeds throughout the world. Perhaps indeed, they were the ones to domesticate humanity, rather than our assumption that it was we who first learned to make use of their gifts of enlightenment and inspiration of the mind, and delight of the taste buds. Chapters include Coffee from Africa to the Moon, Rituals and Ceremonies, A Coffee Theme Park, Coffee and Your Health, Growing a Coffee Companion, Coffee Quotes and so many more topics such as Our Future Together, Promoting Fair Trade and Sustainability. Let Lady Coffee stimulate your imagination and promote lofty ideas of ways to create a brighter tomorrow for all.
