Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Prophylaxis and Treatment of Internal Diseases: Designed for the Use of Practitioners and of Advanced Students of Medicine This book has been written for physicians and for advanced students. It embodies the results of thirty years experience in hospital and private practice, and is only a compilation in so far as it deals with the prophylaxis and treatment of tropical diseases, which are now of great importance, and where my experience has been lacking. In these cases I have consulted and abstracted the literature which I have thought most reliable. Those methods of treatment which have been most serviceable to me are invariably mentioned first, and are followed by other useful methods, and by such as are recommended by accepted authorities. The methods recommended for prophylaxis and therapy are such as can be carried out in private practice, and when for any reason hospital or sanatorium treatment is needed, or when I have had no experience with the therapy recommended by others, the statement is explicitly made. It has been my aim to consider...
