AN INTRODUCTION TO TEICHMULLER SPACES

Springer. Paperback. Book Condition: New. Paperback. 279 pages. Dimensions: 9.6in. x 6.7in. x 0.7in. This is the English translation of our introductory book on Teichmüller space written in Japanese. We have taken advantage of the opportunity afforded by this translation to correct some minor errors in the original text, and to include several new related topics as additional sections or subsections. Among other things, we add the construction of Thurston's compactification of the Teichmüller space in 4 of Chapter 3, and...

Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Michael Spinka**

It is one of the best publications. It was written extremely flawlessly and is valuable. I am easily able to get a delight out of looking at a created pdf.

-- **Mikayla Lockman**

It is one of the best eBooks. It generally is not going to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
