FBC LTD, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Earth s Morning, or Thoughts on Genesis The present volume does not enter into these discussions. It aims at exposition, not controversy. Its object is to investigate the meaning of each verse and word, that, having done so, the exact revelation of God in these may be brought out, and the spiritual truth evolved. Here are the rudiments of all Scripture - truth. And in this book we have the first materials on Which to construct a true theory of - development not simply of truth, but of the purpose of God respecting man, and man s earth. The germs of true development are to be found here in their earliest stage. God here unfolds Himself and reveals His mind step by step 3 His truth expanding itself age after age, under divine superintend ence, so as to prevent the consequences of mere human interpretations, or development according to the mind of man.
