Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Tundra Books (NY), United States, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The first in a series of humorous books about disgusting creatures, The Fly is a look at the common housefly. It covers such topics as the hair on the fly s body (requires a lot of shaving), its ability to walk on the ceiling (it s pretty cool, but it s hard to play soccer up there), and its really disgusting food tastes (garbage juice soup followed by dirty diaper with rotten tomato sauce, for example). Although silly and off-the-wall,The Fly contains real information that will tie in with curriculum.
