Texas Tech Press,U.S., United States, 2006. Hardback. Book Condition: New. 287 x 287 mm. Language: English . Brand New Book. There s no denying [Hartman s] abilities as a photographer. Shape, color, and light, he has an impeccable eye for composition, for juxtaposing line against line, drawing the viewer s eye into his subject.In North Dakota, he likes a flood-drenched plain in orange twilight, one stretch of barbed wire fence in a strong horizontal, another triangulating stretch (just the fence posts visible above the water) disappearing into the distance. In South Dakota, he gives us a flat plain with alternating gold, green, and brown strips of field, a dark storm building overhead.Accompanying the first third of Hartman s photos is a new essay by William Kittredge (always an occasion).There is no one more authoritatively positioned to comment on the West than Kittredge, nor anyone who can write about it half as well - . Tells the story of the region in textures of flaking paint and rust juxtaposed against stunning sunsets and big skies. Intense color photographs narrate the 1500-mile, often-inhospitable route from Texas to Canada - Texas Parks Wildlife. A lavish and glorious new coffee-table book .Hartman has a gifted eye for both the natural and man-made vistas that he encounters, and his color images are breathtaking. Beginning in North Dakota and working south, Hartman presents pictures that are themselves eloquent essays in rural and small-town spaces. An aura of loneliness and abandonment clings to many of these shots. It s no secret that people have been fleeing the harsh physical and economic realities of the Great Plains for years, and these pictures document that fact. Unpainted farm houses and rickety windmills hold silent vigil amid awesome expanses of earth and sky, weeds grow through a Nebraska sidewalk, and...
