Bantam, United States, 2012. Paperback. Book Condition: New. Reprint. 200 x 130 mm. Language: English . Brand New Book. Where the eye sees the brushstroke, the heart sees the truth. At thirty-five, Gabriella Ella Graham is a successful portrait artist in London. She captures the essential truth in each of her subjects faces--a tilt of the chin, a glint in the eye--and immortalizes it on canvas. But closer to home, Ella finds the truth more elusive. Her father abandoned the family when she was five, and her mother has remained silent on the subject ever since. Ella s sister, Chloe, is engaged to Nate, an American working in London, but Ella suspects that he may not be so committed. Then, at Chloe s behest, Ella agrees to paint Nate s portrait. From session to session, Ella begins to see Nate in a different light, which gives rise to conflicted feelings. In fact, through the various people she paints--including an elderly client reflecting on her life and a woman dreading the prospect of turning forty--Ella realizes that there is so much more to a person s life than what is seen on the surface. And as her portraits of Nate and the others progress, they begin to reveal less about their subjects than about the artist herself. Look for special features inside.
