Penguin Books Ltd, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Paul Morley, author, journalist and cultural commentator, tells the story in Earthbound of post-punk, music and changing times - part of a series of twelve books tied to the twelve lines of the London Underground, as TfL celebrates 150 years of the Tube with Penguin. Also available in a boxset. The stand-out is Paul Morley's eclectic, headspinning Earthbound . it mixes memoir and manifesto to create something paradoxical: an obituary for pre-digital ways of experiencing art that's gleeful and inquisitive rather than empty nostalgic. The Times Authors include the masterly John Lanchester, the children of Kids Company, comic John O Farrell and social geographer Danny Dorling. Ranging from the polemical to the fantastical, the personal to the societal, they offer something for every taste. All experience the city as a cultural phenomenon and notice its nature and its people. Read individually they're delightful small reads, pulled together they offer a particular portrait of a global city. Evening Standard Exquisitely diverse The Times Eclectic and broad-minded . beautifully designed Tom Cox, Observer A fascinating collection with a wide range of styles and themes. The design qualities are excellent, as you might expect from Penguin with a consistent look and feel while allowing distinctive covers for each book. This is a very pleasing set of books. A Common Reader blog The contrasts and transitions between books are as stirring as the books themselves . A multidimensional literary jigsaw. Londonist A series of short, sharp, city-based vignettes - some personal, some political and some pictorial . each inimitable author finds that our city is complicated but ultimately connected, full of wit, and just the right amount of grit. Fabric Magazine A collection of beautiful books. Grazia[Praise...
