WHEN HEALING PRAYERS AREN T WORKING: SPIRITUAL WARFARE FOR REAL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Why do prayers not get answered? Or at least they seem to go unanswered. Have you ever prayed repeatedly for things in your life and nothing changed? Have you felt like your prayers were being ignored? You pray with all your being, in tears for emotional healing, physical healing or help in a situation and yet no assistance from the Creator seems to come. You ask yourself, Doesn t He care? If God is so good why is this happening to me? It s time to say, Enough is enough! You need to know why your prayers are not getting answered. In this book, Gene explains the various reasons why your prayer is having little to no effect, and it s not that God simply said, No. Learning what is hindering your prayer will enable you to make the appropriate change and start getting the results that you need! Gene Smith is a minister and international teacher and evangelist conveying the obstacles that we establish and sustain in our lives that hinder the answers to our prayers. Smith explains that our imagination connects us to the spiritual realm. Our imagination can be used effectively, or detrimentally, by choosing powerful thoughts and words. Topics of faith, healing methods, the power of our words and thoughts, evil spirits and curses, and various types of healing are all addressed from a logical, unique position that answers age-old questions with clarity and directness. When Healing Prayers Aren t Working gives professional insight for a more meaningful and successful life through a better understanding of the character of God, our thoughts, our actions, and the spiritual realm.
