HarperCollins Publishers Inc, United States, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Stolen jewels, secret identities, and death abound in this sparkling tale of suspense set in Victorian England, from New York Times bestselling author Tasha Alexander. London's social season is in full swing, and Victorian aristocracy can't stop whispering about a certain gentleman who claims to be the direct descendant of Louis XVI and Marie Antoinette. But he's not the only topic of wagging tongues. Drawing rooms, boudoirs, and ballrooms are abuzz with the latest news of an audacious cat burglar who has been systematically stealing valuable items that once belonged to the ill-fated queen. Light gossip turns serious when the owner of one of the pilfered treasures is found murdered, and the mysterious thief develops a twisted obsession with Lady Emily Ashton. It will take all of Lady Emily's wit and perseverance to unmask her stalker and ferret out the murderer, while faced with a brewing scandal that threatens both her reputation and her romance with her late husband's best friend, the dashing Colin Hargreaves.
