

Love Among the Gods: Myths of Relationship

By Shirley Kiefer

Creating Calm Network Publishing Group, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Mythology holds up a mirror to our inner life as humans, showing us how our personality and choices affect our lives. Myths of partnership not only impart wisdom about male-female relationships, but also about the balance of male and female qualities within us as individuals. These stories from Greek (and one Egyptian) mythology are fascinating tales not only of love relationships, but also of the human quest for wholeness within. Zeus and Hera are the perennial love/hate couple. Isis and Osiris bring new life out of tragedy. Jason and Medea show us what manipulation is like. Theseus and Ariadne deal with abandonment. Perseus learns to integrate his feminine side as part of his heroic quest. Psyche and Eros mature through the trials their union produced. Shirley Kiefer retells these stories with new insight for our time. A retired librarian with a background in world religions, mythology and psychology, she helps us see their characters as parts of ourselves, giving us glimpses into these archetypal forces we all experience. Whether you read these as literal...

Reviews

It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.

-- Doyle Schmeler

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
