Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you a racist (black, white, or other)? If so, then you may be surprised to learn that many revered figures in Western World religious writings (the Torah, Bible, Qur an) were opposed to hatred and racism: Adam, Noah, Abraham, Moses, Jesus, and Muhammad to name a few. If this is true, then why has the three sister religions stemming from Abraham-called Judaism, Christianity, and Islam-failed to end such? Especially since an ancient evil arrogantly promised our prototype ancestors: I am better than Man.I will lie in wait for them.assault them. Therefore did I fall, and did make you fall by that [mind-set and behavior] for which I myself fell; and with you also.whosoever accepts my counsel falls.now.by reason of thy fall, thou art under my rule, and I am king over thee. We hear much about people such as O. J. Simpson, Susan Smith, George Zimmerman, Paula Dean, and Donald Sterling. But are we any different from them? O say can you see that our current state of affairs, in America and the world, would not exist had we listened to our ancient lights -our enlightened ancestors? It s about time we listen and confront the man in the mirror -to make a change for humanity s greater good. Read on if you are not afraid to face yourself!.
