

Morrells Right Start: Focus on Punctuation Workbook 7: Handwriting Made Easy (Paperback)

By Suzanne Smits

Morrells Handwriting, United Kingdom, 2010. Paperback. Condition: New. Sascha Linguard (illustrator). Language: N/A. Brand New Book. Workbook 7 revises the joining process and establishes a mature and fluent joined-up style of handwriting. The writer is encouraged to widen their vocabulary, practise punctuation and reinforce grammatical knowledge through a range of activities and challenging exercises. It helps to build confidence by improving story writing and sentence construction, which is necessary for successful writing from primary school children to adults. This is an ideal workbook to motivate older learners, who may be fed up with the less than adult approach some handwriting books have.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- Mr. Grant Stanton PhD

A whole new eBook with an all new standpoint. It is actually rally fascinating through reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).

-- Claire Bartell
