Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Jewish Theology Dr. Kohler does not explain how he arrives at this division of his subject. He does not state on what principles it is based. In the absence of any clear guidance, it appears at first sight to be drawn on arbitrary lines, and the thoughtful reader finds himself compelled to come to the author's rescue. The writer's first step has been presumably to take Theology in its literal sense as theory concerning God. Therefore the first great section deals with God. But as God cannot be said to exist unless there is man to recognise His existence, a second main division is devoted to Man. Finally, as the work is a treatise on Jewish Theology in particular, and not on Theology in general, there follows a third and final portion entitled Israel and the Kingdom of God.
