

Zoo: In the Beginning (Paperback)

By Elizabeth Drake

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In this first book of the Alice in Fred s Place trilogy, Rony Suristein learns that her safe, secure life is anything but. It begins when she is arrested for the crime of missing a Dentist appointment. This glitch in Main s instructions is quickly remedied, but these glitches have been increasing in frequency as Main begins to break down. Fifty years earlier the world s population traded their frightening and unpredictable lives for the safety, security, and peaceful busyness of the world that Main created. Every trace of the past has been deleted; all information is filtered through Main. Rony s octogenarian grandparents are among the last people left who remember the world before Main. They realize now is the time to pass their knowledge along, but Main s ability to track every movement and every conversation of every citizen makes this an almost impossible task. As Rony tries to assimilate information that shakes her world, her younger brother, Garn, is discovered to be one of the few people left who understands the forbidden art of computer programming....

Reviews

Merely no words to explain. I really could comprehend everything out of this published e book. I found out this publication from my dad and i suggested this publication to learn.

-- Prof. Margarita Ledner PhD

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Gilbert Stroman
