

God Within: The Day God's Train Stopped

By Patti Conklin

Rainbow Ridge Publishing, United States, 2014. Paperback. Book Condition: New. 2nd Revised edition. 213 x 140 mm. Language: English . Brand New Book. Patti Conklin believes that when the universe began, a cacophony of tones, which we now identify as frequency, echoed throughout the universe, and they were both chaotic and highly ordered. This book is about how we can use that knowledge to impact our physical lives. Patti Conklin has learned that everything in the universe has a frequency, and that quantum physics goes hand in hand with metaphysics, even though we are taught that the two are separate. We are all made up of particles which vibrate, and these particles were created by a source . . . a God or Goddess she refers to as Father, which is greater than the sum total of us humans. In her work as a healer, she has learned from the work of Bruce Lipton on cellular biology and Richard Gerber on vibrational medicine. She has developed a toolbox, a method to use the frequencies of light and sound to heal thousands of people. Here are numerous true examples of people who experience real changes in health, well-being, and spiritual transformation. Sometimes...
