## A TIME TO BE DEBORAH (HARDBACK)

Resource Publications (CA), 2009. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Description: A Time To Be Deborah is a study of the Biblical Book of Judges focusing on the account of the prophetess Deborah and the Israelite military general, Barak. It is a political and historical work that compares and contrasts today's American political scene with that of the Israelites, circa 1200 B.C., complete with pointed commentary and detailed statistics of the day. This book is a call to arms intended for contemporary Christian women supporting a need for education, activism, and a return to Christian values in our nation. Further, it is a plea for obedience to God's laws and commands coupled with a faithful desire for deliverance. This book reiterates a timeless warning that is as sobering in twenty-first century America as it was in twelfth century B.C. Israel. That warning may very easily herald the removal of God's hand from this land if historical lessons learned are not now applied. Do not consider entering the voting booth without assimilating this information and committing yourself to the prevention of the demise of this great land. Endorsements: Though addressed to women, this book will appeal to men as well. A Time to be Deborah is teeming with keen commentary that is clever, humorous, and stimulating. The book is insightful, compelling, and motivating.
