### **Reviews**

*This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.*  
*(Rene Olson)*

**NAMES: POEMS (PAPERBACK)**

WW Norton Co, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. In Names, Marilyn Hacker juxtaposes glimpses of contemporary lives with dialogues undertaken in signal poetic voices. Using her signature wit, passion, and mastery of received and invented forms, she convinces us to believe in a world made possible by language-prescient, playful, polyglot, and often breathtaking. from Ghazal: The Beloved : Lines that grapple doubt, written because of the beloved: when grief subsides, what survives the loss of the beloved? Your every declaration is suspect. That was, at least, the departing gloss of the beloved. Were you merely a servant of the state or (now you give the coin a toss) of the beloved? How pure you were, resistant in an orchard. Peace with justice: the cause of the beloved.
