Reviews

Excellent electronic book and helpful one. I could comprehend everything out of this published e book. I discovered this pdf from my i and dad suggested this book to discover.

(Dr. Daphnee Homenick II)

IN-FLIGHT ENTERTAINMENT (PAPERBACK)

Vintage Books, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A dazzling collection of stories from internationally acclaimed writer Helen Simpson, touching on everything from global warming and technology to health and aging to marriage and family life. Whether Simpson s subject is single women or wives, marriage or motherhood, youth, young love, homework or history, In-Flight Entertainment is addictive reading that walks a line between being wickedly funny and dark. These thirteen stories brilliantly share the small details of interaction that reveal larger secrets and inner conflicts of contemporary living. They unerringly capture a type, a social class, a pattern of behavior, a generation.
