

Summary of Team of Teams: By General Stanley McChrystal Includes Analysis

Filesize: 7.65 MB

Reviews

It is one of my personal favorite ebooks. It is probably the most awesome publication I have read through. You won't really feel monotony at anytime of the time (that's what catalogs are for regarding in the event you check with me).

Team of Teams by General Stanley McChrystal Key Takeaways Analysis Preview: Team of Teams by General Stanley McChrystal is an examination of the process he began of restructuring the Joint Special Operations Command management style, from a rigid command structure to a cooperative team comprised of smaller specialized teams. While fighting Al-Qaeda in Iraq (AQI), General McChrystal noted how the United States and coalition militaries were efficient war-fighting machines, but they were not adaptable or effective against the seemingly disordered AQI. In 2005, after a particularly destructive terrorist attack at the opening of a sewage plant near Baghdad, McChrystal began considering whether the efficient structure was actually hindering the counterinsurgency, preventing them from responding to threats in real time and delaying the capture of AQI leader Abu Musab al-Zarqawi. Modern military management originated at the 1900 World s Fair, when Frederick Winslow Taylor revealed his work in steel production efficiency. Taylor believed that there is a right way to do any given thing. PLEASE NOTE: This is key takeaways and analysis of the book and NOT the original book. Inside this Instaread Key Takeaways Analysis of Team of Teams- Overview of book - Introduction to the Important People in the book - Key Takeaways and Analysis of Key Takeaways.
