The Bumble Bee Miracle

By Nina H Anderson

Xlibris Corporation, United States, 2008. Paperback. Book Condition: New. 234 x 201 mm. Language: English . Brand New Book ***** Print on Demand *****.Did you know that there are different types of breast cancer? Did you know that you can have breast cancer without having a lump? Did you know that all breast cancers do not show up on a mammogram or an ultrasound? Have you ever heard of Inflammatory Breast Cancer? Nina Anderson, the author of this book, would have answered no to all of the above questions. If she had known some of these facts, she would have been more suspicious about her symptoms. She was a very health conscious individual. She had a mammogram and Pap test every year and did monthly self breast examinations. When she started having swelling, an inverted nipple, redness and a fever in her right breast, the last thing she ever suspected was that she might have breast cancer. She had hardly ever been sick in her entire life until she was diagnosed with this very aggressive and lethal form of breast cancer known as Inflammatory Breast Cancer. This book is the story of her dreadful ordeal and miraculous survival. Nina considers...

Reviews

It becomes an incredible book that we actually have possibly study. It really is rally exciting throgh studying period of time. I am very easily could get a satisfaction of reading through a written book.

-- Gianni Hoppe
