Adonis Abbey Publishers Ltd, United Kingdom, 2006. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Beyond the Rhetoric: Essays in Africa s Development Challenges There are many analyses of Africa s developmental challenges, most cloaked in fashionable buzzwords, semantics, grand theories and media-friendly mellifluous phrases. Dr Chinua Akukwe goes beyond the rhetoric to pose a simple question: what can be done? With policymakers and general readers in mind, he discusses and proffers solutions to a number of current contentious issues in Africa, - from the Darfur crisis in the Sudan, African Union s Diaspora strategies, the New Partnership for Africa s Development (NEPAD) to the political crises simmering in his own country, Nigeria. Dr Chinua Akukwe is an adjunct professor of both global health and community/preventative health at the George Washington University School of Public Health, Washington, DC, USA, and also Chairman of the Technical Advisory Board of the university s Africa Center for Health and Human Security. He was equally a former member of the Executive Committee of the university s Medical Center Faculty Senate, the highest representative body of all professors affiliated with the medical center. A former Vice-Chairman of the Executive Committee and Governing Board of the National Council for International Health, NCIH, (now known as the Global Health Council, Washington, DC), Dr Akukwe was also a member of the International Human Rights Committee of the American Public Health Association as well as a board member of the Christian Connections for International Health, an international ecumenical organization based in the United States. A widely published scholar on HIV/AIDS, healthcare, and development issues in Africa, he served for five years as a member of the editorial board of the American Journal of Public Health, one of the leading...
