Outskirts Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Growing up biracial in post-WWII Germany, Dr. Reed s struggle to find acceptance straddles two continents. Travel with him on his journey as he goes from being born out of wedlock, to earning his doctorate. Learn from his lessons and you, too, can be healed! Even when he was too young to understand racism and prejudice, he could still feel the feelings of annoyance, negativity, and outright hatred. As he grew older, he carried hurt from his childhood into his youth. As a young man, he realized he had to somehow get over this hurt if he wanted to move forward with his life. As a cover for his growing insecurity, the boy finds that being an excellent soccer player, gets him through much strife. When the family relocates from Germany to America, it takes years of adjusting. Going off to college was a huge step toward freedom; freedom...
