Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The wild second adventure for unforgettable antiquities thief Owl - a modern-day Indiana Jane who reluctantly navigates the hidden supernatural world - from the pen of rising urban fantasy star Kristi Charish. For fans of Kim Harrison, Jim Butcher, Jennifer Estep, Jenn Bennett, and the like. Alix Hiboux, better known as Owl, international antiquities thief for hire, is settling in to her new contract job for Vegas mogul Mr. Kurosawa, a red dragon with a penchant for ancient, supernatural artifacts. And now he has his sights set on some treasures of the mysterious Syrian City of the Dead that are sitting in a recluse s private collection. There s just one wrinkle. To stop the resurrection of an undead army that could wreak havoc on Los Angeles, Owl must break in to a heavily guarded archaeological site in one of the most volatile regions in the world. A detour through Libya and a run-in with Somali pirates sends the clock ticking hastily toward total paranormal disaster. Meanwhile, Alexander and the Paris vampires have stopped stalking Owl s apartment, but they have by no means forgotten their death grudge against her. To top everything off, Owl finds out the hard way that there is nothing heavenly about the City of Angels.
