Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Principles of Christian Apologetics: An Exposition of the Intellectual, Basis of the Christian Religion, Specially Written for Senior Students Man owes to God the debt of private and public acknowledgment and worship. Here in brief are the main theses of Natural Religion. Supported by this basis of Natural Religion, and aided by the application of the criteria of miracles and prophecy, the enquirer is led to the further conclusion that there is one and only one true form of Supernatural Revelation, namely Christianity. In the following chapters an attempt has been made to reproduce in English form the classical arguments which are set forth in text-books of Apologetics written chiefly in Latin, French and German. The aim has been to avoid as far as possible technical nomenclature, so that Senior Students of Secondary Schools may follow the trend of the discussion. If such students are called upon to unravel the intricacies of the Differential and Integral Calculus set for B.A. and B.Sc. degrees, it is surely not too much to expect that the metaphysical principles...
