In this exciting pocket-guide to creating happiness, international coach, speaker and adventurer Skyler Shah takes you on a step-by-step journey to living a happier life, no matter how happy you already are. With experiments, illustrations and over 50 challenging questions to help you to begin shifting out of unhappiness; this book provides you with the resources to truly begin to live the life you want by starting at the most important place. Happiness. About Skyler Shah: Skyler Shah navigates the world of personal development uniquely. In February 2015 his TEDx talk, Do something incredible, live your dream encouraged every listener to pick up a coloured pen and begin with happiness.
