FLOW EXPERIENCE ON THE INTERNET

epublib

Epubli. Taschenbuch. Condition: Neu. Neuware - Just as recently as in the beginning of the third millennium, a 'new era' of psychology has been established, which decidedly addresses the enhancement of positive aspects of human life (e.g., a satisfactory, self-fulfilled, and productive life). With digital technologies being firmly integrated in our daily routines - be it at work or during leisure time - the work at hand strives for an interdisciplinary approach towards a positive design of user experience. 140...
