Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Interface is about the coming together of astronomical science with intuitive astrology. A new synthesis is needed for this millennium. The art of astrology and the science of astronomy were linked together in the most creative epochs of culture eg the Renaissance. New Alchemy Press publishes this as a work of integration and reconciliation, as much of interest to the astronomer as the astrologer.

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

*This kind of book is every little thing and taught me to look ahead of time and a lot more. I am quite late in starting reading this one, but better than never. I found out this book from my dad and he encouraged this pdf to find out.*
