St Martin s Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Discover your inner child once again in Weave a Circle Round, a debut fantasy adventure for fans of Madeleine L Engle, Diana Wynne Jones, and E. L. Konigsburg. Now nominated as a finalist for the Andre Norton Award for Outstanding Young Adult Novel! When the unexpected moves in next door, anything can happen in Weave a Circle Round, Kari Maaren s debut in this YA-friendly fantasy adventure. Freddy doesn t want people to think she s weird. Her family makes that difficult, though: her deaf stepbrother Roland s a major geek, and her genius little sister Mel s training to be the next Sherlock Holmes. All Freddy wants is to survive high school. Then two extremely odd neighbors move in next door. Cuerva Lachance and Josiah definitely aren t normal. Neither is their house, which defies the laws of physics. Neither is Freddy s situation, when she suddenly finds herself stuck thousands of years in the past with her very, very weird neighbors. And that s only the beginning. I adored this brilliant book from start to finish. It left me reeling with delight and I can t wait for the rest of the world to get as lost in its pages as I was. --Charles de Lint I d have loved this book when I was twelve, and I love it now. --Nebula, Hugo, and World Fantasy-Award winning author Jo Walton.
