We can find ourselves in many obstacles in life. We can be unaware of what is holding us back. We can get stuck in the middle of hardship, and experience a variety of emotions and feelings. We may even question our self-worth, and have the wrong mindset in dealing with money issues and relationship problems. We may experience the loss of a loved one or pet. Grief can become overwhelming and force us to take a new journey into self awareness and personal development. We get busy looking at the outside world, but there are moments where we need to be self-aware and inspect our thoughts, feelings, and emotions. We can get caught in the past, or the future, and feel sorrowful and disappointed with life.
