

Sirococcus Shoot Blight Damage to Western Hemlock Regeneration at Thomas Bay, Alaska (Classic Reprint) (Paperback)

By Ed F Wicker

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Sirococcus Shoot Blight Damage to Western Hemlock Regeneration at Thomas Bay, Alaska The three unthinned areas had been clearcut in 1959-1962, so the oldest regeneration was 16 years. One of these areas had received 464 kg Agricultural Grade urea/ hectare in May 1969; the two remaining areas were untreated. A line of 4 plots, 100 m apart and 4 m² area, was established in each of the three areas. Total number of (1) trees, (2) infected trees, (3) dead trees, and (4) potential crop trees (dominants or codominants) were recorded for each plot. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Reviews

This is the finest book i have got study till now. It usually does not price a lot of. I found out this publication from my i and dad encouraged this book to understand.

-- **Jamil Collins**

Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.
