

## Border Matters: Remapping American Cultural Studies (Paperback)

Filesize: 6.04 MB

### **Reviews**

*This book is fantastic. It is really simplistic but surprises inside the 50 percent of the publication. I am just happy to inform you that here is the very best publication i have read through inside my individual life and can be he greatest book for actually.*  
(Everette Luetgen)

**BORDER MATTERS: REMAPPING AMERICAN CULTURAL STUDIES (PAPERBACK)****DOWNLOAD**

University of California Press, United States, 1997. Paperback. Condition: New. New. Language: English . Brand New Book. Border Matters locates the study of Chicano culture in a broad social context. Jose Saldivar examines issues of representation and expression in a diverse, exciting assortment of texts--corridos, novels, poems, short stories, punk and hip-hop music, ethnography, paintings, performance, art, and essays. Saldivar provides a sophisticated model for a new kind of U.S. cultural studies, one that challenges the homogeneity of U.S. nationalism and popular culture by foregrounding the contemporary experiences and historical circumstances facing Chicanos and Chicanas. This intellectually adventurous, politically engaged study applies borderlands and diaspora theory to Chicano cultural practices in a way that permanently changes our understanding of both the Chicano experience and the meaning of cultural theory. Defying national (and nationalistic) paradigms of culture, Saldivar argues that the culture of the borderlands is trans-national, constituting a social space in which new relations, hybrid cultures, and multi-voiced aesthetics are negotiated. Saldivar's critical readings treat culture as a social force and reveal the presence of social contexts within cultural texts. Border Matters maps out a new terrain for the study of culture, reshaping the way we understand migration, national identity, and intellectual inquiry itself.
