Kensington Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. The Monroe brothers have their differences, but one project unites them: turning an antebellum mansion in their Haven, Georgia, hometown into a peaceful spa. It was the dream of their late sister and it s about to set off a major renovation in the life of middle brother Braxton Braxton Monroe s taking a break from teaching to do some strenuous work on a Civil War era house, and feeling the strain in every rock-hard muscle. Good thing he has to interview massage therapists for the spa even if it s embarrassing to meet a job candidate in his boxers. Cora Buchanan has hands so talented and a voice so sultry he wants to hire her before he even lifts his head from the table. But he s shocked to meet her outside the massage room with her seeing-eye dog, Heidi the yellow lab. Cora has left her family and fiance in Atlanta to make her way in this small town. All her parents money can t restore her sight, but it s up to her to restore her independence. Though she bristles at Braxton s protectiveness, she too feels lingering effects from their intimate touch. Now that he s her boss, it s strictly hands-off .Until a secret she s keeping destroys his fragile trust, and they must find the courage to knock down the walls between them. Praise for Jules Bennett and *Wrapped in You* Anotherpageturner Icouldn tputitdown! --LoriFoster, NewYorkTimesbestsellingauthor.
