METHODS OF CHURCH SCHOOL ADMINISTRATION (CLASSIC REPRINT)

Brand New Book ***** Print on Demand *****.Excerpt from Methods of Church School Administration We are near the close of what might be called the laboratory period in Sunday School work. The past three decades have witnessed the development of the Graded Lessons; have seen the Primary Department expand into a Children s Division, with its four departments - the Cradle Roll, Beginners , Primary, and Junior; and watched the Teen-Age Department changed to a Young People s Division, with its three departments - the Intermediate, the Older Boys and Older Girls , and the Young Men s and Young Women s. The Organized Class movement has likewise grown into an Adult Division, with its four departments - Men s, Women s, Parent-Training and Extension. During this period there has also been developed a system of training leaders. The simple Normal Manual of twenty years ago has given way to and blazed the way for the present three-year Standard Teacher Training Course.
