Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Walt Scott (illustrator). 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Sir Walter Scott was a prolific Scottish historical novelist and poet popular throughout Europe during his time. In some ways Scott was the first author to have a truly international career in his lifetime, with many contemporary readers all over Great Britain, Ireland, Europe, Australia, and North America. His novels and (to a lesser extent) his poetry are still read, but he is far less popular nowadays than he was at the height of his fame. Nevertheless many of his works remain classics of English literature. Famous titles include Ivanhoe, Rob Roy, The Lady of the Lake, Waverley and The Heart of Midlothian. You can enjoy again - or for the first time - Walt Scott s Christmas Stories #1062. Enjoy a nostalgic trip down memory lane with the best titles from the golden age of comics. Escamilla Comics has lovingly remastered these timeless classics with vivid color correction, image restoration and has also added an enhanced reading experience with Kindle Panel View. The comic reprints from Calumet History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available.
