DAUGHTERS DAY: A FATHER S MEMORIES OF TENDER MOMENTS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Filled with joy and tenderness, *Daughters Day* by national bestselling author, essayist, and humorist Graham Porter shares the message that parenting is the most rewarding experience anyone will ever have. While it s not, perhaps, all fun and games, with affection and playfulness, each day of being a parent is an opportunity to celebrate childhood moments-big and small-that in the grand scheme of life, are the things we remember most. A lively work of creative non-fiction, Porter s take on parenting is that the key to raising a happy family is to focus on the positive and to always find reasons to laugh and smile. For a father of four, and a grandfather of eight-with each of whom he enjoys a close relationship-he s had quite a bit of fodder. In twenty-two heartwarming vignettes, with titles like *The Adventure Begins*, *Home Sweet Home*, *The Loving Cup*, and *Cottage, Farewell*, Porter pays homage to the particular delights of fatherhood, as well as his parenting philosophy that there are teachable moments in every experience. It s been his honor to rescue his daughters from school dances, discuss with them the meaning of God, and care for them as babies. There were watermelon seed-spitting contests, plenty of camaraderie, laughs, giggles, funny evening rituals, and the family s first vacation. Memory upon memory, joy upon joy, Porter builds a repertoire of pink birth announcements, family egg tosses, and games of football. He describes what it means to enjoy every moment. Parenting is a journey, and sweet, tender, and uplifting moments abound.
