Apress. Paperback. Condition: New. 200 pages. Experience Skype to the Max shows you how to make the most of Skypes full range of features on any device. Discover tips and tricks for saving time, saving money, and fostering better communication at work or in your personal projects. Go beyond simple voice calling and discover Skype as a multimedia cross-platform collaboration tool, wherever you are in the world. Learn how to connect to Skype from your devices whether in the home office, on the road, roaming on your mobile or over WiFi, and understand the security and privacy requirements in each case. Discover the best ways to call or message landlines and mobile phones at minimum cost, and how to manage your account and payments, depending on your needs. Group chat can bring people together to solve problems in creative ways, without the need to be in the same place at the same time. Learn best practices to keep the conversation on target and identify important action points; share files, photos and screen shots with the group, and understand how to archive and search the discussion later on. As a regular Skype user, you'll also benefit from insider tips on choosing hardware and peripherals, integrating your Skype usage with other platforms such as Office and Outlook.com, and keeping your files and archives future-proof. As work and home lives become increasingly intertwined, this book is your essential guide to building and sustaining your important relationships on one reliable platform. What you'll learn Use and integrate all of Skypes features effectively, including chat, video calling, group calling, logging and file sharing. Overcome geographic limitations to work with a truly worldwide team or customer base. Share files, photos and screen shots, and manage them with archiving and search. Best practices and etiquette for building...
