

Human Resource Development: Today and Tomorrow (PB)

By Ronald R. Sims

Information Age Publishing. Paperback. Condition: New. 350 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. This book is written with the belief that HRD professionals will continue to learn, change and find ways to reinvent themselves and the profession individually and collectively as we move further into the 21st century. A major point of this book is that HRD will continue to become more and more important to organizational success. And, that in as calls for accountability and bottom line impact continue to rise, HRD professionals will be proactive in demonstrating their value to the organization. The primary audience for this book is practicing HRM and HRD professionals, and other organizational leaders. The book provides tested and proven ideas important to demonstrating the value of HRD. From a practical viewpoint, it is based on actual experience, a strong research base, and accepted practices presented in an easy to read form. A second target audience is students of HRD and HRM who are preparing for careers in this important field. This book will help them develop a solid foundation to the study of HRD practices that are key to HRD success regardless of the type of organization. A third target audience is managers...
