

See What a Seal Can Do

By Christine Butterworth

Candlewick Press (MA), United States, 2015. Paperback. Book Condition: New. Kate Nelms (illustrator). Reprint. 244 x 226 mm. Language: English . Brand New Book. Follow a gray seal on a journey from sand to sea in an engaging, richly illustrated story with surefire kid appeal. On the shore, a seal looks like a slow, dozy creature that spends its time lazing around or flumping along the sand. But underwater, it's a different story. Splash! Seal dives deep, with a body just the right shape to shoot through the water and power down with his back flippers. He slips through a seaweed forest, and sensing a predator nearby dives even deeper to stay safe. Finally it's time to make a sudden twist and turn to catch his fishy dinner. Merging a lyrical narrative sprinkled with fascinating facts and aww-inspiring illustrations, here is one nature adventure that's hard to resist. Back matter includes an index.
