Reviews

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

THE WOODHEAD ROUTE (PAPERBACK)

To get **The Woodhead Route (Paperback)** eBook, remember to click the web link below and download the ebook or have accessibility to other information that are relevant to THE WOODHEAD ROUTE (PAPERBACK) ebook.

Amberley Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. The Woodhead Route from Manchester to Sheffield has achieved almost mythical status, not only thanks to the Woodhead Tunnels, but also because of the unique EM1 and EM2 electric locomotives. Inspired by the first `Railway Mania of the 1830s, the Woodhead Route was the first railway built to link Manchester with Sheffield. After many false starts, and even a change of chief engineer, it was finally opened in 1845. Anthony Dawson explores here the history behind one of the most iconic and beloved railway lines in the world, drawing on a range of topics including the various attempts to get the line built; how it was built; the running of the line and accidents; the three tunnels; memories of the Woodhead Route and life after closure. With more than a hundred illustrations throughout, this illuminating volume offers a fascinating overview of the line that will appeal to enthusiasts young and old.
