Columbia (Paperback)

By Valerie Battle Kienzle

Arcadia Publishing (SC), United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Columbia has distinguished itself as a leader in educational excellence since its 1826 incorporation. Early residents so valued education that three institutions of higher learning were established there by the mid-19th century: Stephens College, Columbia College (formerly Christian College), and the University of Missouri. Located in the state's center, this Midwestern city with a small-town feel has witnessed a nonstop influx of people since its first years. The Boone's Lick Trail passed through Columbia, connecting the early National Road with the Santa Fe and Oregon Trails. The flow of settlers migrating west led to Columbia's rapid growth, as stores and businesses were established to provide needed supplies. Numerous battles were fought in Missouri during the Civil War, but none in or near Columbia. The group that protected Columbia against possible encroachers was called the Columbia Tigers Company. The Tigers was the name later adopted by the university's athletic teams.

Reviews

The most effective book i ever read through. it had been writtern quite flawlessly and valuable. I am just happy to let you know that here is the very best publication i have got read through during my individual daily life and may be he greatest pdf for ever.

-- Prof. Adonis Rodriguez

Comprehensive information for publication fans. I have got read and i am confident that i am going to likely to go through once again once again in the foreseeable future. I am just very happy to let you know that this is actually the greatest book i have read in my very own existence and could be he finest book for at any time.

-- Clair Windler
