

European Agriculture: Enlargement, Structural Change, CAP Reform, and Trade Liberalization

By Frank H. Fuller, John C. Beghin

Nova Science Publishers Inc. Hardback. Book Condition: new. BRAND NEW, European Agriculture: Enlargement, Structural Change, CAP Reform, and Trade Liberalization, Frank H. Fuller, John C. Beghin, This book provides an in-depth look at Europe's changing agricultural and food markets, focusing on the impacts of recent policy reforms, enlargement of the European Union (EU), and trade liberalisation. The papers included in this book braid together four important themes in European agriculture and food markets: the impacts of EU enlargement on productivity growth and catching up in the Central and Eastern European countries (CEECs), the influence of food quality standards on market structures in the CEECs and on trade, the impacts of common agricultural policy (CAP) reforms on EU and world markets, and the costs of adjusting to CAP reforms in specific sectors. The insights provided in these papers into the empirical interactions between policies, institutions, and market outcomes, both domestically and internationally, are valuable to policy makers and researchers interested in the future of European agriculture.
