This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Cold-blooded predators lurk in the Everglades and not all of them are gators. When Jesse Crane returned to his roots to serve on the Miccosukee police force, he'd hoped to leave behind the violence of the city and the memories of his murdered wife. But bodies start to pile up in Jesse's corner of the sultry Florida swampland. As he probes these crimes, Jesse is drawn to the beautiful Lorena Fortier, a new hire at the local gator farm and research facility. Lorena is a little too interested in Jesse's investigation, but before he can uncover her true motives, they're both pulled into a dangerous web of greed, ambition, and animal cunning. To survive, they'll have to decide whether they can trust each other before the hunters become the hunted. Bonus book included in this volume! *The Sheriff of Shelter Valley* by USA Today bestselling author Tara Taylor Quinn Six months ago, Beth woke up with no memory of her past, a bruised face, and a little boy who called her Mama. Until her memory returns, the most dangerous thing she can do is to fall for the sheriff, the one man who can uncover the truth and destroy the person she's become.
