America Star Books, United States, 2004. Paperback. Book Condition: New. 206 x 135 mm. Language: English . Brand New Book. In the set of title stories, a quiet teacher gets romantically involved with two Mexican-American former students-mother and daughter. (Oh my!) The final selection finds the author delivering the keynote address at a nudist convention. (Oh my, oh my!) Actually, it s all quite tastefully done. Sandwiched between are provocative poems, Jehovah s Christmas monologue, Boy Scouts around the campfire, royal genealogy, and America s social classes skewered. With wise and witty commentary, the mature author looks back on the very best of my juvenilia. The writing is concise, thoughtful, powerful.
