By Frank A. Gerbode, John Durkin

Loving Healing Press, United States, 2013. Hardback. Condition: New. 4th edition. Language: English . Brand New Book ***** Print on Demand *****.Person-Centered Techniques put You Back in Control of Your Destiny Metapsychology is the science of human nature and experience as viewed by you--the one who experiences--from the inside out, not by an outside expert trying to look in. The methods of Applied Metapsychology recognize you as the authority at the center of your world of experience, and provide tools to enable you to improve personal relationships, increase personal power, and fashion your world into the loving, fascinating, and fulfilling place you always wanted it to be. Readers of this book will learn. The principles and methodology of Applied Metapsychology, a truly effective method for understanding yourself, your own mind, and your world of experience. The principles of Traumatic Incident Reduction (TIR), a technique for resolving the traumatic incidents that build upon each other to produce a network of distress that can lead to Post Traumatic Stress Disorder (PTSD) . Specific other techniques to help you address the issues which concern you most--relationships, job satisfaction, and unwanted emotions such as grief and anger. A systematic method of case-planning for designing...
